

Moonlight Madness

Business Information

Moonlight Madness will take place on November 14th and December 5th. There will be vendors along the streets and sidewalks from 6:00-9:00pm. It is encouraged that all businesses that are participating stay open until 9:00pm so customers will know that they can shop at your business during the events hours. We are hoping to host a storefront/window competition between businesses this year during Moonlight Madness as well. Businesses are encouraged to decorate their windows/storefronts and we will have the public vote on 4 categories: People's Choice, Best Tree, Best Light Display, Best Holiday Scene. We will provide you with a poster to put in your window that has the competition details and a QR code where people can cast their votes. Winners will be announced the week of December 8-12, 2025.
