Addendum No.1 date: March 9, 2026

One signed copy of complete addendum pages 1 to 5 must be attached to the proposal

The following changes to the specifications are to be incorporated in the Tender Documents.

Directive

This addendum shall form an integral part of the tender documents for the above project and shall be read in conjunction therewith. This addendum shall, however, take precedence over all requirements of the previously issued specifications with which it may prove to be at a variance, unless otherwise clarified by the Engineer.

This addendum MUST be signed by the tenderer in the appropriate space and must be submitted with the Tender. Tenders not including this addendum signed as required may be rejected as informal.
